Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Production Company allowed to film on Vista Helipad April 19, 2011 from 7am – 10pm.**
- **Production Company allowed to base camp along Vista Del Valle April 19, 2011 from 7am - 10pm, but vehicles must be parked single file and orderly.**
- **Must allow sufficient space, which is at the discretion of the monitor, to serve as a fire lane.**
- **Production Company is not allowed to stake into the Helipad pavement unless approved by maintenance.**
- **Cannot impede park patrons from park activities.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Mt. Hollywood is closed to patron vehicular traffic, not foot traffic.**
- **Must work around maintenance activities.**
- **Monitor will open gate at Vista Del Valle. If company needs to travel in and out, the company is responsible for manning the gate. The monitor is to stay on site at all times. Monitor is not to leave site to open and close gates after initial arrival.**
- **Large trucks MAY NOT enter/exit thru residential streets from 10pm-7am (Vermont, Hillhurst, Commonwealth, Fern Dell).**
- **If the company needs to enter or exit the park prior to 7am or after 10pm must use Mt. Hollywood via Travel Town side, back down to Vermont and then to Commonwealth Road to Vista Del Valle.**
- An on site Fire Inspector must be present as determined by LAFD.

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.
